If the life of a river depended only on the rainfall within the confines of its own banks, it would soon be dry. If the life of an individual depended solely on his own resources, he would soon fall. Be grateful for your tributaries.

--Doctor William Arthur Ward

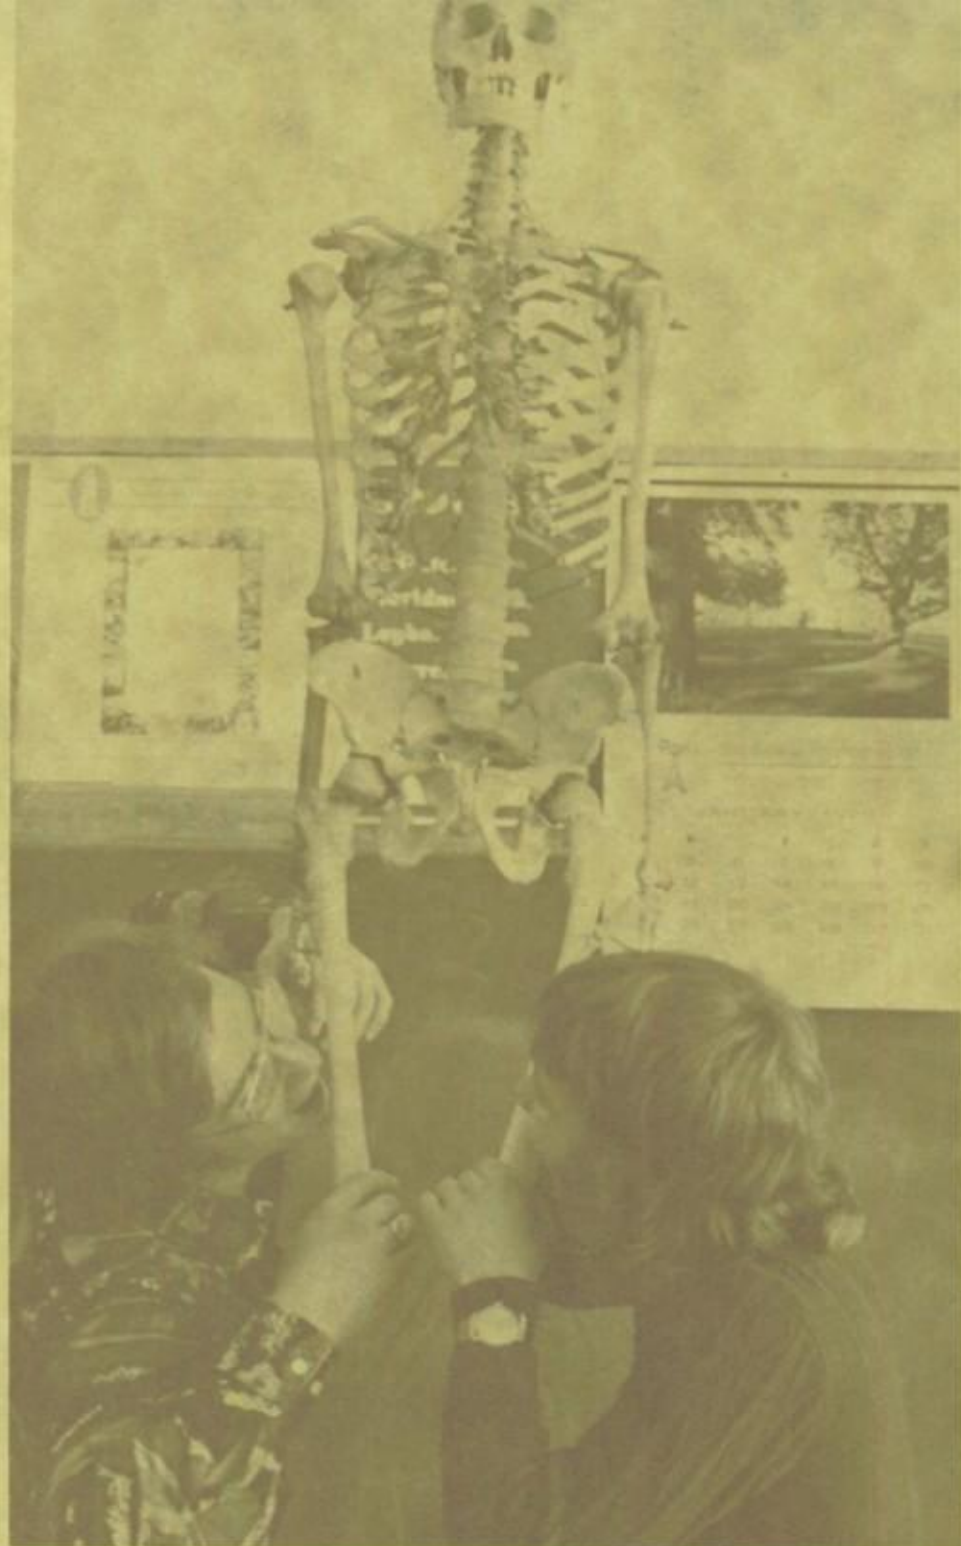

God bless me. I didn't need you
to dream me up. I came out of a
dream too marvelous for your small
head. So don't push me around.
I am king of the kingdom of me.
There shall be no trespassing, no
hunting, no exploitation, no war,
in this land.

--Joseph Pintauro

There is a loftier ambition than merely to stand high in the world. It is to stoop down and lift mankind a little higher.

--Henry VanDyke

Whoever you are, there is some younger person who thinks you are perfect. There is some work that will never be done if you don't do it. There is someone who would miss you if you were gone. There is a good reason for becoming better than you are. There is a place that you alone can fill.

The world judges you by
what you have done, not by
what you have started out to
do; by what you have com-
pleted, not by what you have
begun . . .

--Baltasar Gracián

It were not best that we should all
think alike; it is difference of opinion
that makes horse-races.

--Mark Twain

In this sad world of ours, sorrow comes to all;
and, to the young, it comes with bitterest agony,
because it takes them unawares. The older have
learned to ever expect it . . .

-Abraham Lincoln

Childhood must pass away, and then youth, as surely as age approaches. The true wisdom is to be always seasonable, and to change with a good grace in changing circumstances.

-Robert Louis Stevenson

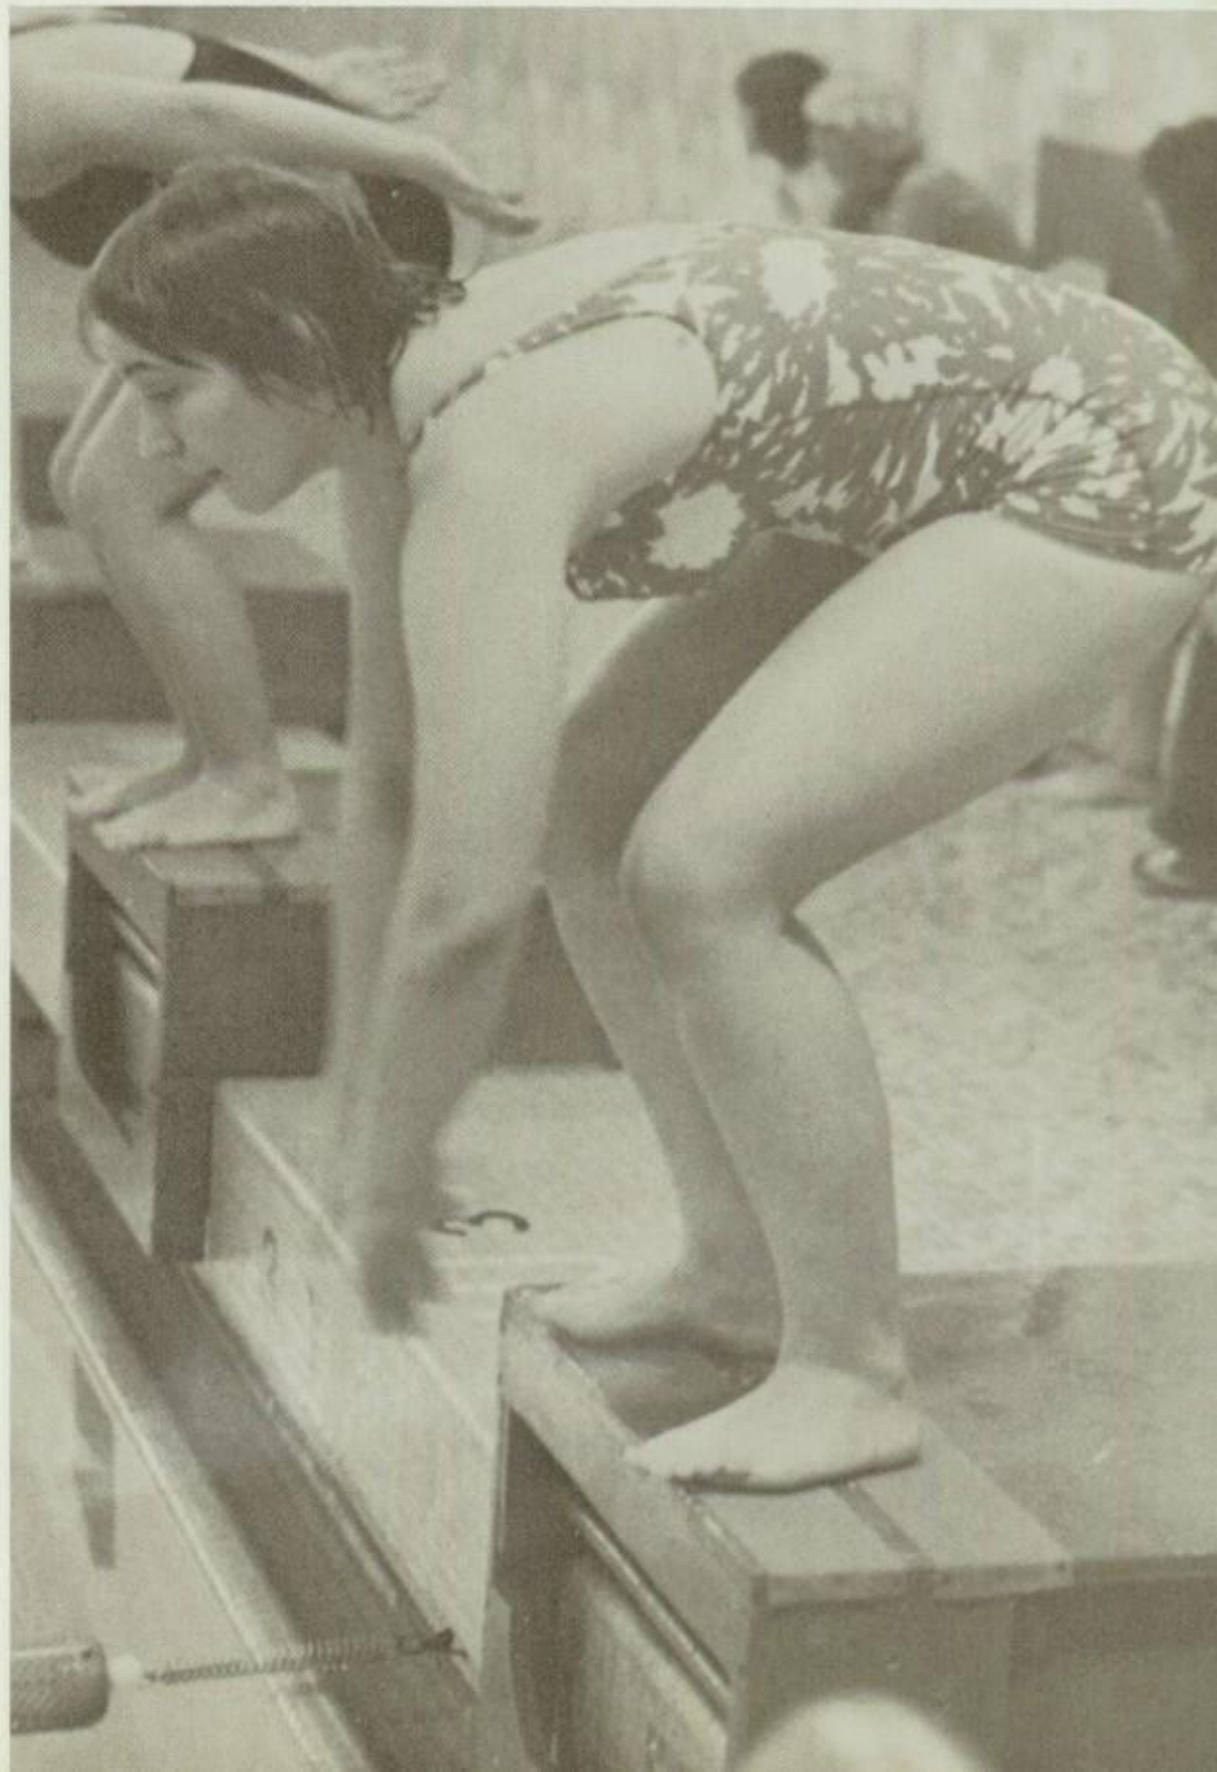

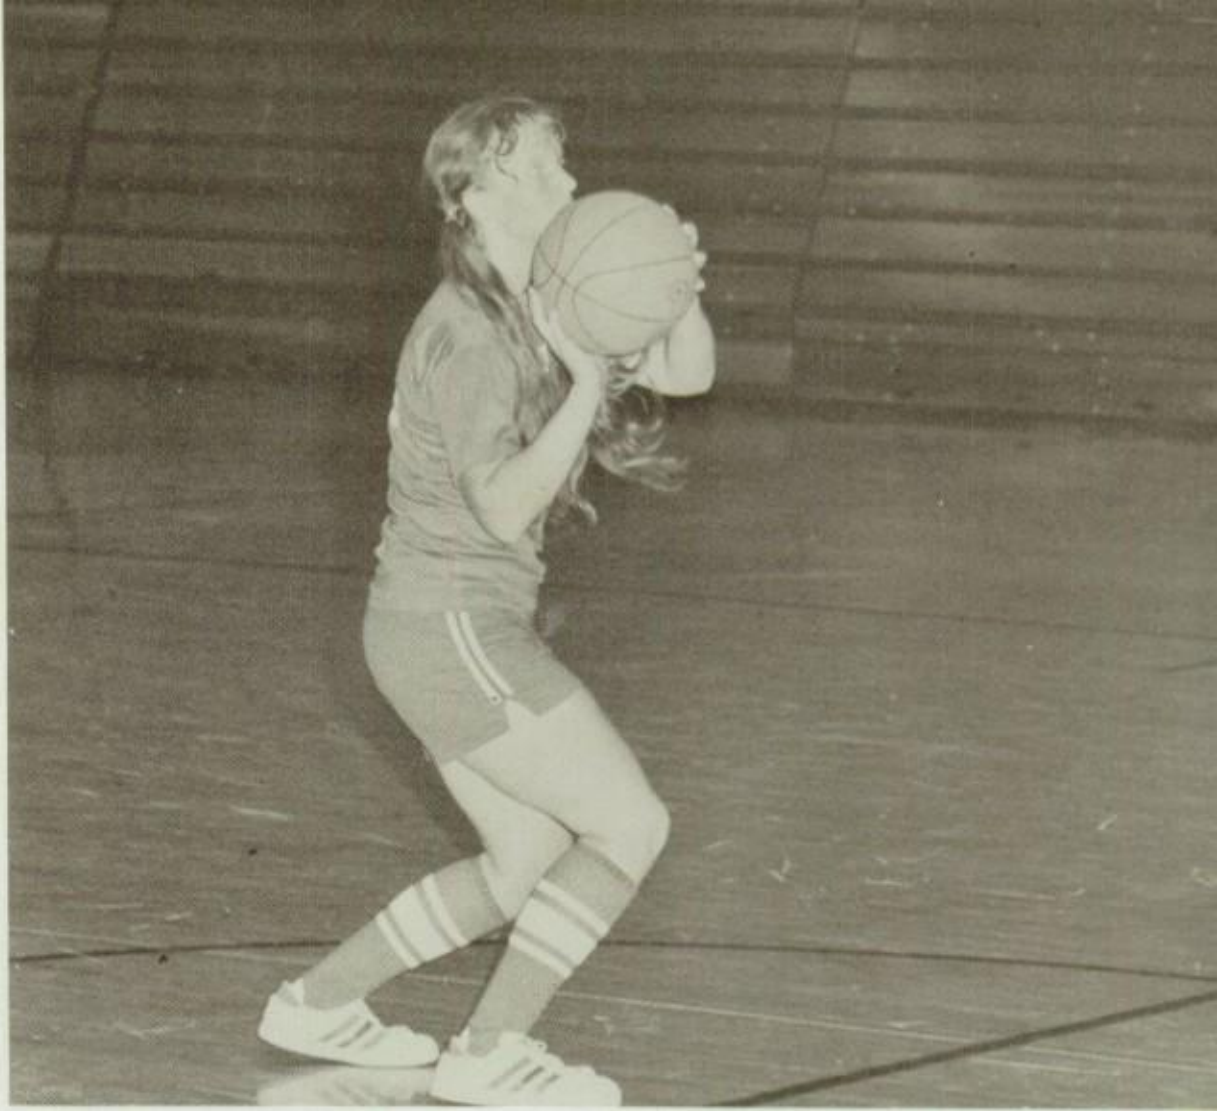

They do not know the darkness and the heart-aches; they only see the light and the joy, and call it "luck." They do not see the long and arduous journey but only behold the pleasant goal, and call it "good fortune." They do not understand the process but perceive the result, and call it "chance."

-James Allen

SPORTS

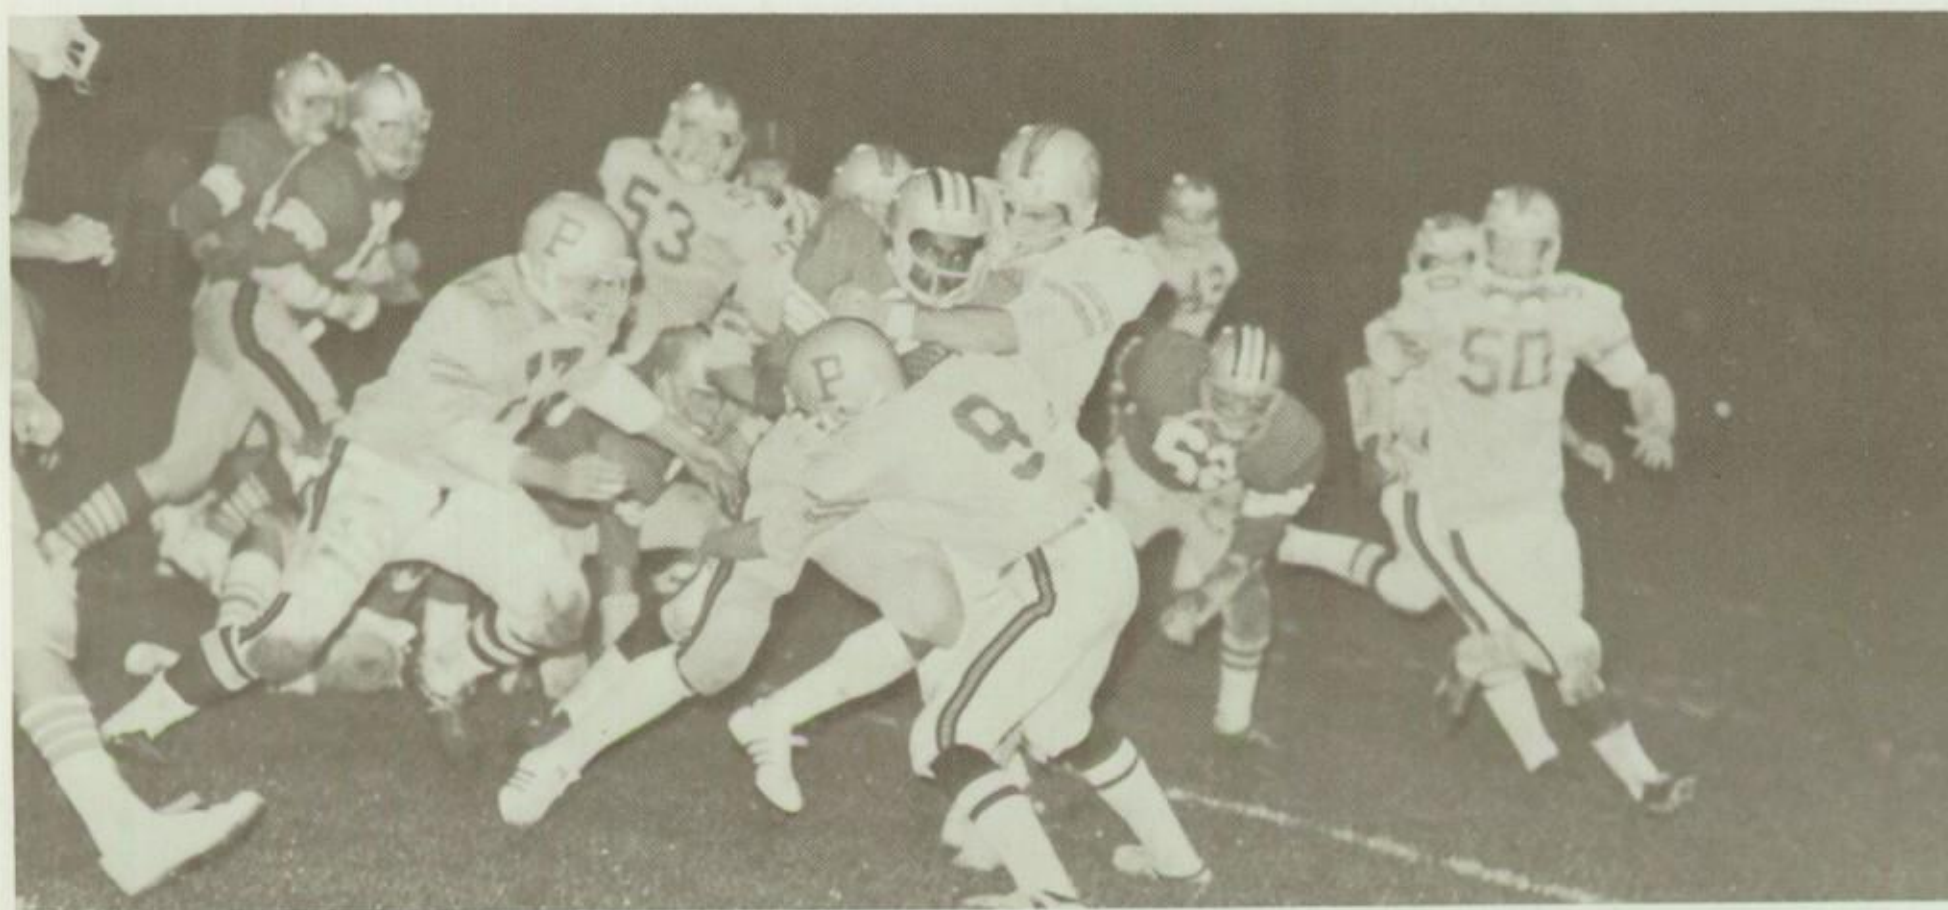

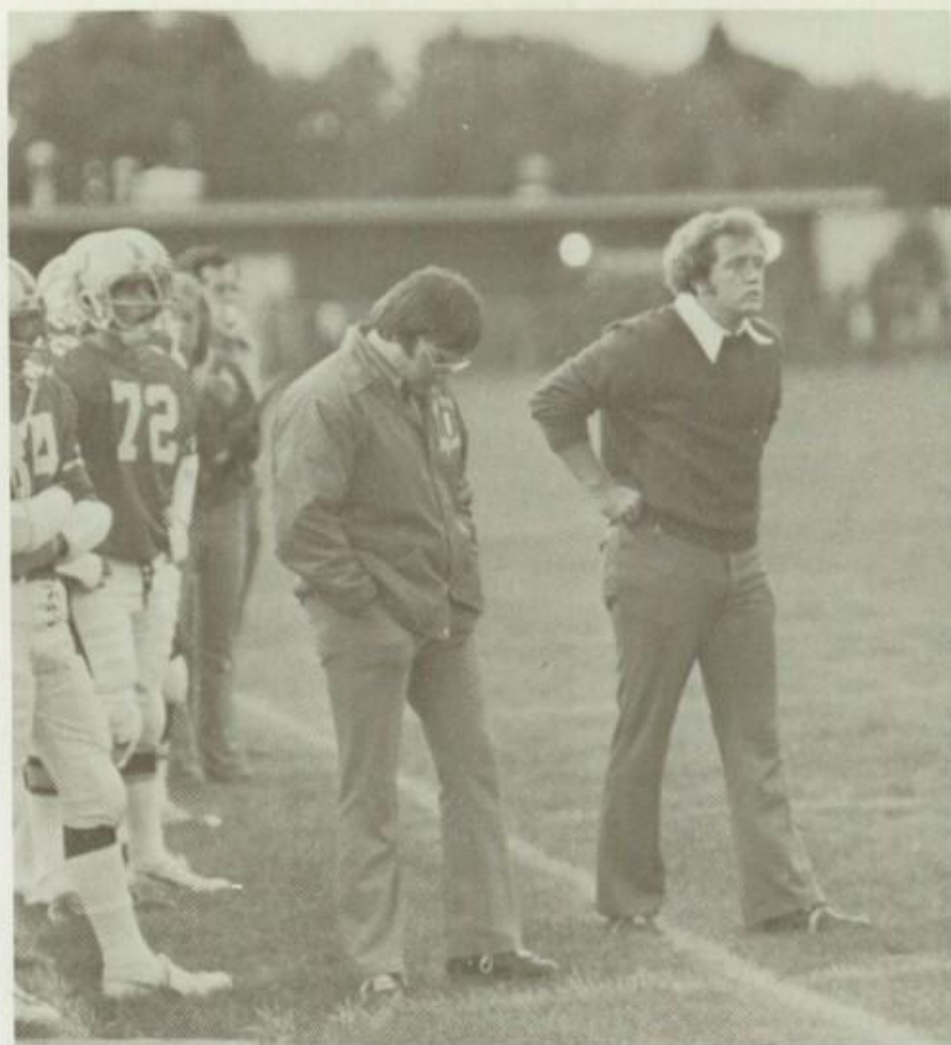

The 1975 season proved The Pack Is Back!

The Pack finished their season with an overall record of 3-6, but proved they could play football with anyone on their schedule. Three of the losses came on last minute field goals or overtime periods.

The Pack scored more points this season than had been scored in the five previous years and gave up fewer points than in the six previous years.

Kevin Anderson and Jeff Vanderzee were selected to the Tri-River All Conference Team, while Jeff Weiden, Ken Deurloo, and Mark Dekleva were named Tri-River Honorable Mention.

J.V., Frosh Gridders Show Winning Form

The Junior Varsity football team finished an outstanding season with an overall record of 5-4 and a record of 5-2 in league play, which enabled them to finish in second place. The team has a lot to be proud of, as they were the first winning J.V. team in six years. The team was characterized by a tough, stingy defense and a potent offense. Many of these players should help the Varsity's success continue next year. The coaches of the team were Mr. Mooney and Mr. Zinnecker.

The Freshman football team had a very competitive season with an overall record of 4-4-1, and a league record of 3-3-1, enroute to its third-place finish. The team showed fine spirit, great determination, and a positive attitude throughout the season. This was evident as the team fought back from losses in their first three games to only lose one of their last six contests. The team was coached by Mr. Switzer and Mr. Wessling.

Whoopee!!! Champs Again

The Girl's Varsity Basketball Team completed their season by winning the Tri-River Championship and were the District Champs. In the four years of competition the girls have won the conference title twice and the district title twice.

The 1975 season ended with an overall record of 14 wins and 3 losses, including a record of 14 consecutive wins. The league record was a perfect 7 wins and 0 losses.

Junior Kathy Curtice received the award for the Most Improved Player and Senior Joni Christoffersen was named the Most Valuable Player. Freshman Wendy Anderson and Joni Christoffersen were selected for the Tri-River All Conference Team.

Girls' Basketball

The Girls' J V. Basketball team had a season full of broken records. They set a new team record of 420 points for the season and broke the old rebounding record. Sally Hall set new individual scoring and rebounding records. The team had an overall record of 9-4 and a conference record of 5-2.

The eighth-grade team ended their season with a record of 6-4. Judy Moon broke the previous scoring by totaling 132 points throughout the season.

Although the seventh-graders had an overall record of 2-9, through the season they improved tremendously. Next year the girls should be stiff conference competition.

The 1975 Golf team finished their fine season with a 6-1 conference record and an 8-3 overall record. Denny Scott and Duane Mater, both all-conference picks, were the team's top golfers with the average of 41.5. A school record of 149 strokes against Cedar Springs was set, highlighting a most successful season. Denny Scott and Dave Weaver both set new school records with one-under par nine-hole rounds. Losing only two seniors this year, Coach Ramseyer foresees just as good a season next year, if not better.

Huff Puff but Tuff

Once again our Packer Runners finished with a winning season even though they didn't quite accomplish all they hoped to. Their two main goals were to once again clinch the Tri-River-Conference title, and to qualify as a team to the State Meet. Their attempt at being #1 couldn't quite be met although they did finish second. They just missed qualifying as a team to state placing fifth in Regionals when only the top four go. They did manage, however, to qualify three individuals, Jim Featherstone, Tom Slocum and Bob Vanderzel to represent them. They are a very young team, and are hoping that next year the two goals will be reached.

Fish Get Hooked

Despite a winless season, the girls swim team came up with many personal victories, and probably made as much out of their season as any other sport. 6 out of 11 records were broken which was a great accomplishment in itself since there were only 5 returning letter women on the team. They had a new experience this year being invited to the Grandville Relays. Much to their surprise (along with everyone else's) the relay team of Johnson, Kendall, Reath and Smith took a 3rd and 4th place in the two events they entered out of many larger class A schools. They were a close team that proved that the only goal of a sport isn't victory.

Inexperience Takes Its Toll

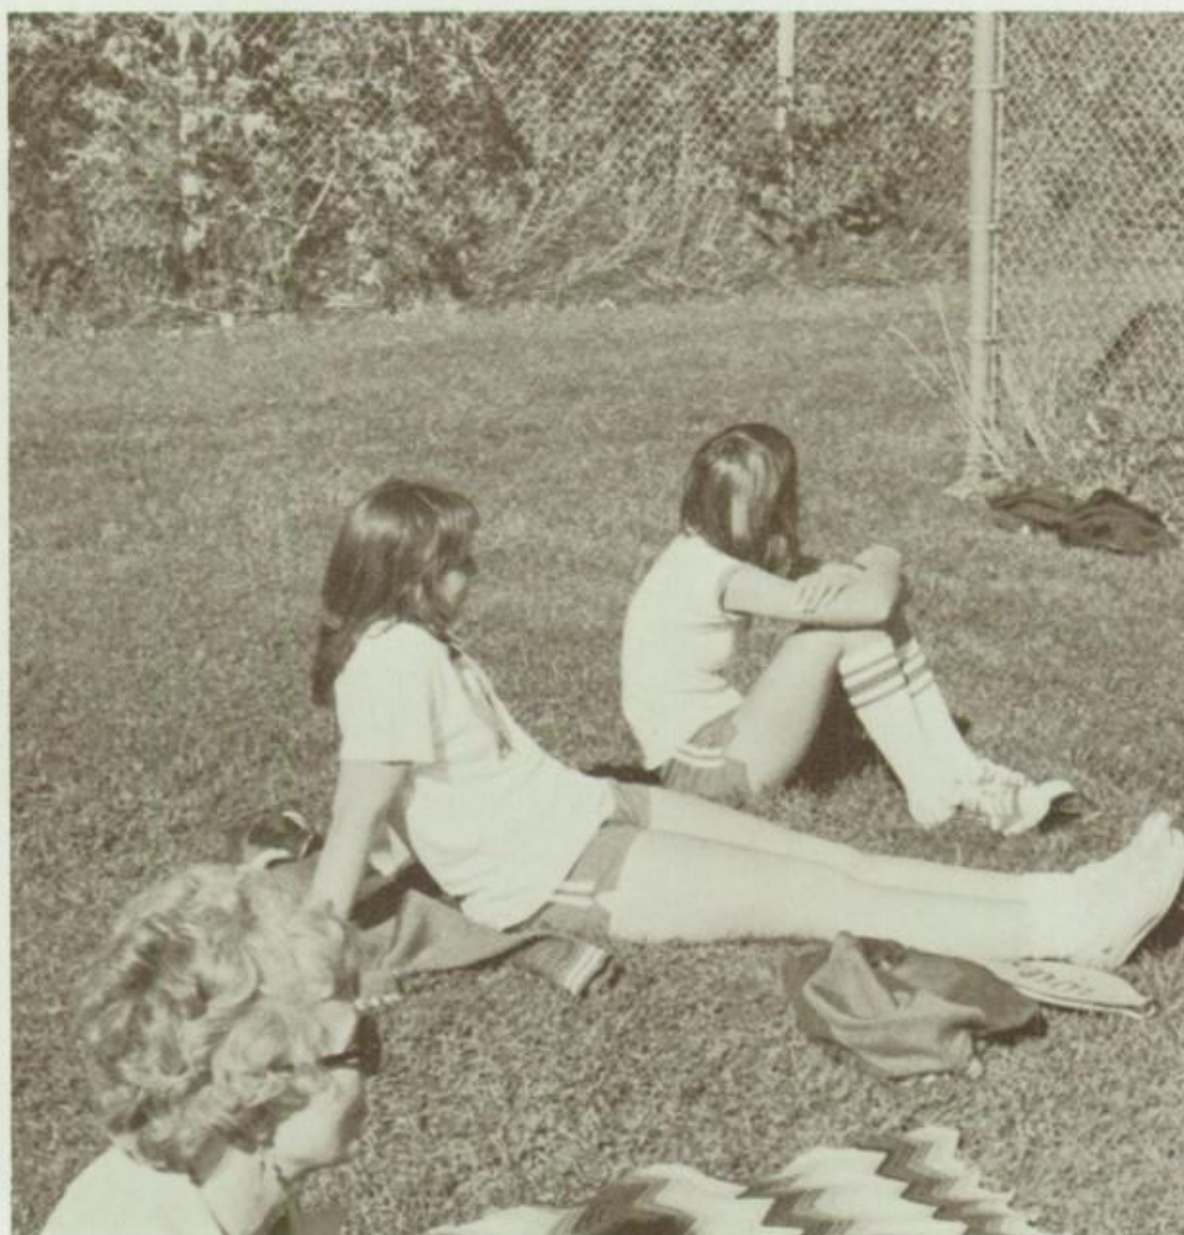

A very young and inexperienced group, the Girl's Tennis team finished their season with a conference record of 1-5. But they made a fantastic comeback by placing second in the Regional tournaments. Freshman Cathy Slocum was their number one singles player. Losing only one player this year, the team should improve their record quite a bit next year. Coach Vitali said she was very proud of the way the girls learned to work as a team together.

Packers Climb to .500, Finish Fourth in League

The Packer Dribblers ended their season in good shape with high hopes for next year. Their overall record was 10-11 and 9-5 in Conference which was good for 4th place. Being one of the top rebounding teams in the league, the Packers had a lot to be proud of. Their defense improved tremendously, and many times games were won because of it. Probably one of the highpoints of the long season was when they stormed Coopersville off our home court by breaking their no-loss record in conference. In a close district game against Manitowish, the team just wasn't up to par and lost in the final minutes by four points. Having only four graduating seniors, the team, and school, are looking for even bigger and better things next year.

JUNIOR VARSITY BASKETBALL: ROW 1: L. Winchel, S. Oosting, T. Zuchowski, C. DeKuiper, R. Alderink, R. Brookens. ROW 2: Coach Bultman, J. Krim, R. Delong, K. Vliem, R. Tanis, E. Geeting.

J.V.'s & Frosh Win 13 Games!

The Junior Varsity Basketball Team combined accurate shooting, quickness, and tough defense to achieve an excellent 13-7 record overall. This was the best J.V. record since 1968. They finished in second place in the league standings with a 10-4 record, including handing Tri-River champion Coopersville their lone loss of the season. Keith Vleim and John Krim led the team in scoring. The coach of the team was Mr. Bultman.

The Freshman Basketball Team posted an outstanding 13-3 overall record. They were co-champions of the Tri-River League with Greenville. Both teams ended with 12-2 records. The team improved greatly as the season progressed. This was evident as they won their last several games in a row. Coach Wessling points to sound fundamentals, balanced scoring, and total team participation as the keys of the team's success.

FRESHMAN BASKETBALL: ROW 1: B. Rake, S. Dreyer, B. Tanis, P. Klomp, T. Frost, S. Tanis. ROW 2: J. Bonk, K. Kemperman, J. Eppink, D. Fraser, D. Burk, B. Maynard, M. Miller, Coach Wessling. ROW 3: G. Smith, J. Wright, T. Parks, N. Durham, K. Staley, S. Hoffman, M. Deephouse, T. Greer, J. Richardson.

Junior High Packer Power

The Seventh Grade Basketball team ended their season with a record of six and two. Coach Edison said the boys showed much promise for the future.

The Eighth Grade Basketball team had a season of hard conditioning along with competing in the Tri-River League.

The Junior High Swim team had a very successful season by losing only one meet. Five of these swimmers will be advancing to the varsity level next year.

7th BB: ROW 1: K. Robart, S. Reath, D. Gray, T. Hawkins, R. Keehl. ROW 2: T. Vanboncoeur, J. Sevigny, J. Fraser, J. Fisk, J. Greer, T. Mlnarik, Coach Edison. TOP: M. Tiesler, R. Sherman, B. Crisp, G. Durham, G. Hanna.

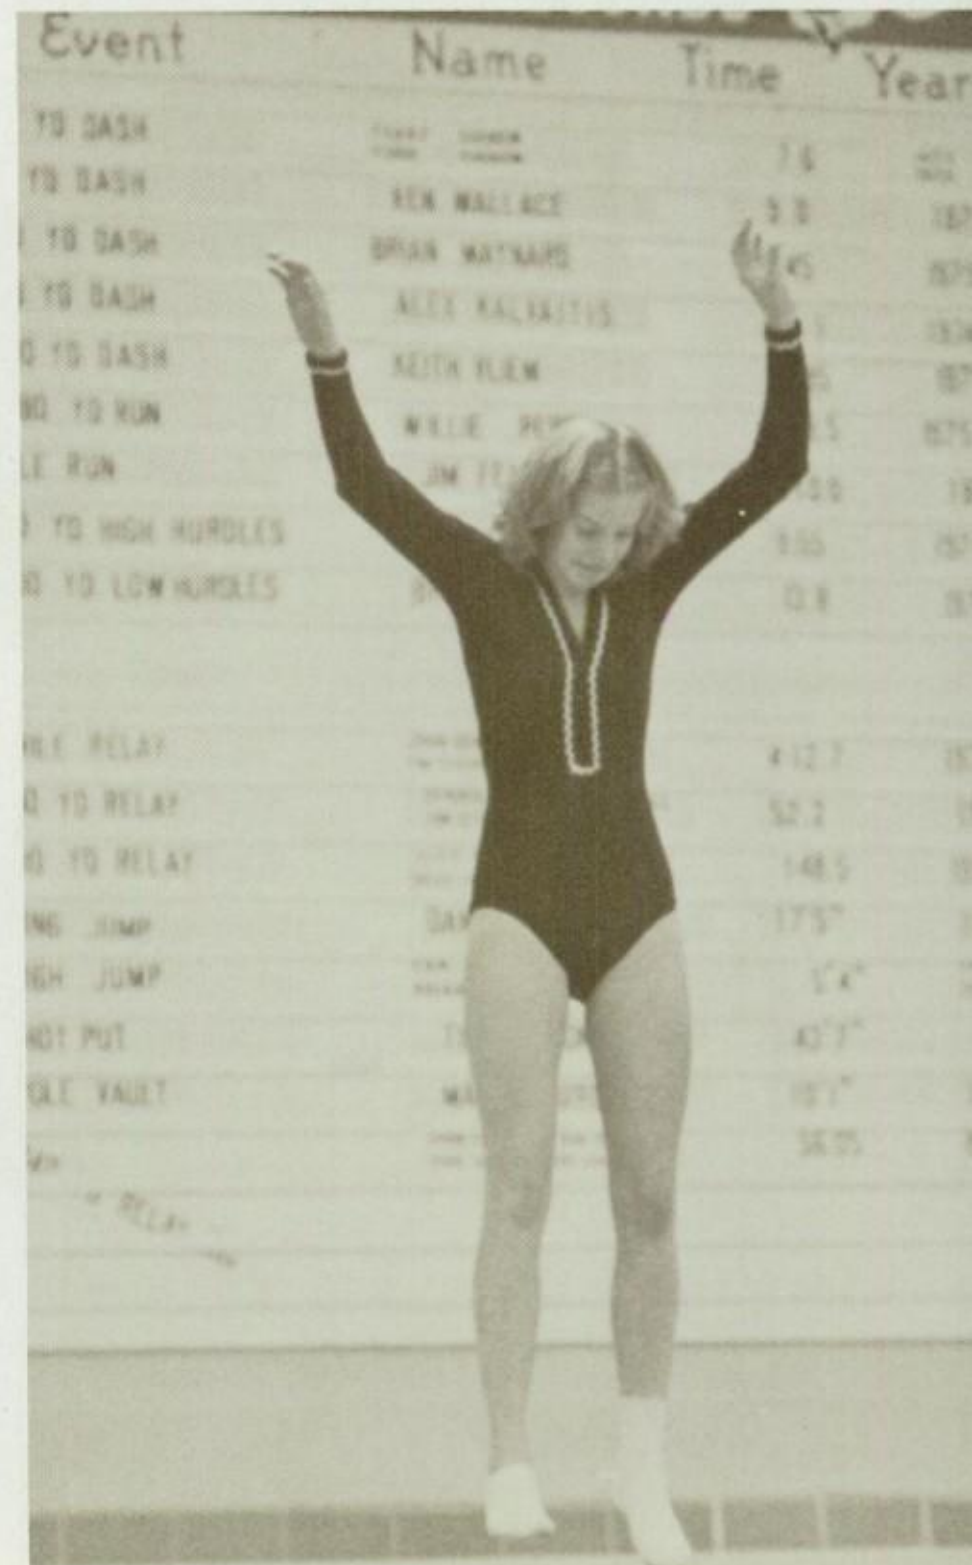

The Junior High Wrestling team had a dual record of ten and zero. They received the runner-up trophy at the Tri-River Conference Tournament.

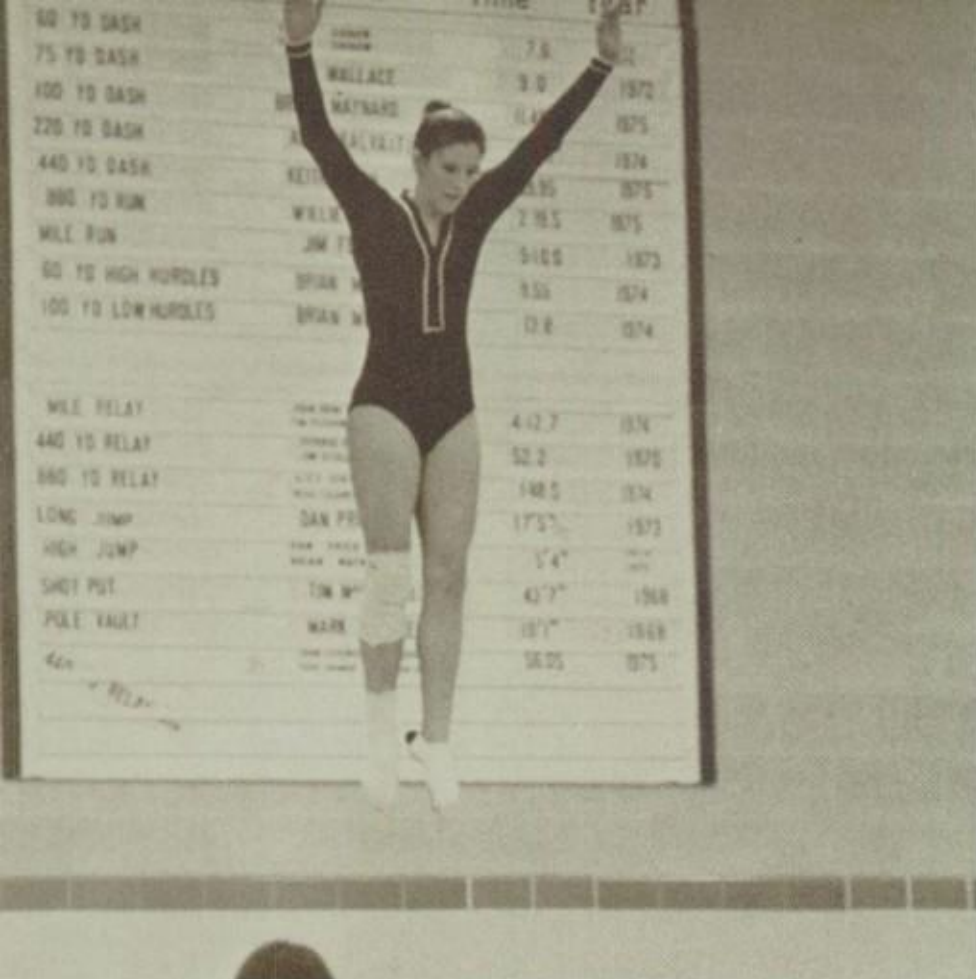

8th BB: ROW 1: D. Kohns, J. Black, S. Van Arman, G. Winchel, M. Oosting, J. Tanis. ROW 2: B. Brunner, G. Dean, D. Boerman, M. Cook, M. Westcott, M. Weiden, A. McNear. ROW 3: Mr. Sloodmaker, M. Swanson, C. Hanna, M. Mikowski, A. VanBoven, D. Maynard, T. Andre, D. Rogers.

Head Over Heels

The Girl's Gymnastics team ended their season with marked improvement. Although the scores did not show many wins the girls had many victories within the team. Along with improving their scores at every meet, their biggest highlight was beating Orchard View—the team's rival since they started four years ago. The girls also had the privilege of going to see the Russian gymnastics team and ten of the girls participated in a clinic at Ferris taught by Kathy Rigby—U.S. Olympic Gymnast.

GIRLS GYMNASTICS: ROW 1. A. Burkle, L. Scott, K. Ward, B. Deur, J. Chittenden, B. Hoyt, ROW 2. P. Hamilton, L. Hanmer, L. Mater, D. Jahr, Coach Noland, D. Price, P. Giffen, ROW 3. S. Panyard, P. Peterson, D. Current, C. Slocum.

First Volley Then Play Ball

Girl's Volley Ball was added to the athletic program at F.H.S. this year. With twenty five girls altogether there was a varsity and junior varsity team. Because this was the first year only local, non-league teams were played. The scores show what a fine improvement the team made over the course of the season. Hopefully volley ball will be another very successful sport at Fremont High School.

Cheerleaders Boost Spirit

With a longer season than any other athletic group the high school cheerleaders started practicing in August and kept it up until the end of basketball season. Along with cheering, the girls were involved in many other projects. They put on pep assemblies, sponsored dances, and gave the football team a party. They also purchased new uniforms and pom-poms this year. The cheerleaders are an important factor in our schools athletic and overall spirit.

The Freshman squad, along with the seventh and eighth grade squads, also held pep assemblies and an Ugliest Cheerleader Day.

Small in Quantity Big in Quality

Although handicapped by the lack of depth, the Varsity Swim Team finished with a respectable 6-7 record. Eight school records were broken. Tom Slocum set school records in the 200 Free, 200 IM, 100 Free, and 100 Back; Eric Moe in Diving; Tom Roth in the 100 Breaststroke; and the 200 Medley and 400 Freestyle Relay teams. Fremont was represented at the State Meet by the 200 Medley Relay Team of Tom Slocum, Pete Vandop, Tom Roth, and Tom Pinnick; Eric Moe in Diving; and Tom Slocum in the 100 Freestyle and the 100 Backstroke. Slocum led all Fremont entrants with a 5th place in the backstroke and a 14th place in the freestyle. With only one senior on this year's team, Coach Peters anticipates a better season next year.

In Dual Meets Matmen Undefeated

The Varsity Mat Men completed another very successful season by placing first in the conference, winning the district title, and receiving fourth place at regionals. Representing Fremont at the state tournaments were Jim Stariha, Scott Dawe, and Willie Perez—the first Freshman to be sent to state competition from our school. Jim Stariha broke the school records of the most wins in one year and the most pins in one year. Corey Price also broke a school record of the most wins in a career by winning 92 matches. At one time during the course of the season the team was rated second in the state class B standings.

Oftentimes in denying
yourself pleasure you
do but store the de-
sire in the recesses
of your being.
Who knows but that
which seems omitted
today, waits for
tomorrow? Even your
body knows its her-
itage and its right-
ful need and will
not be deceived.
And your body is the
harp of your soul,
And it is yours to
bring forth sweet
music from it or
confused sounds.

ORGANIZATIONS

High School Student Council Works Hard

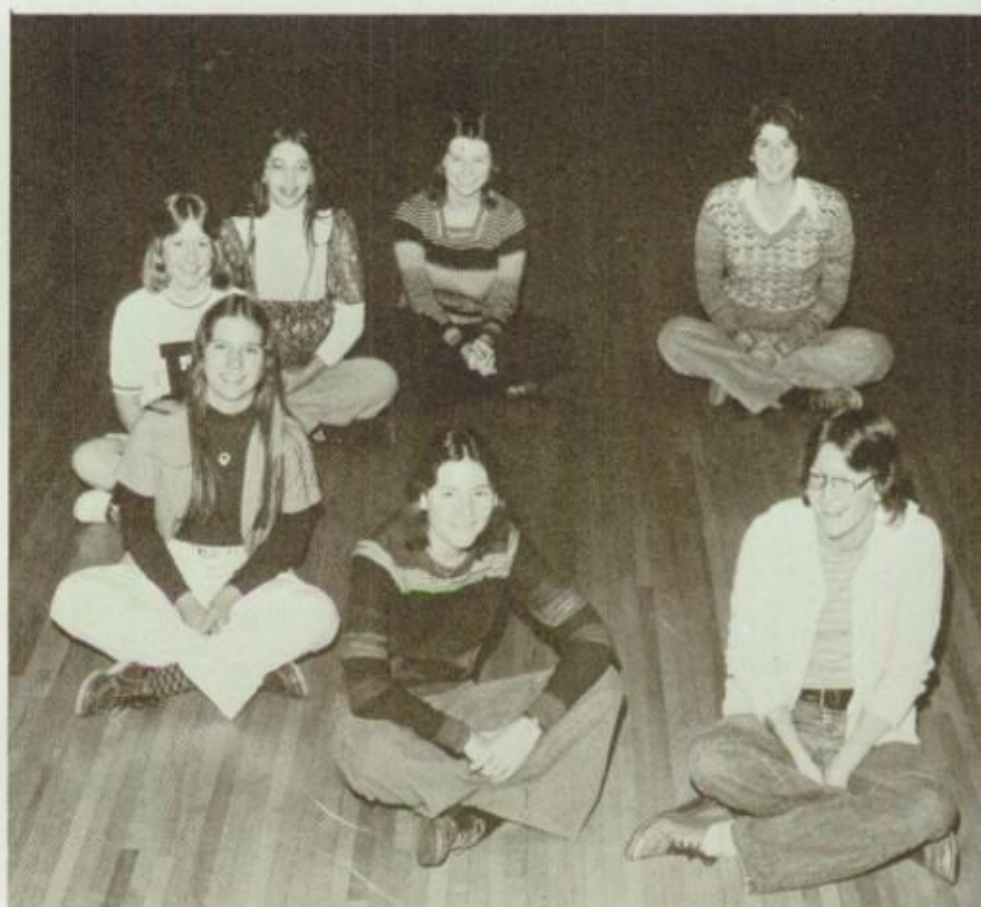

The representatives of the student body this year were a group of hard working kids with good ideas. Once again they sponsored Homecoming, the Mid, dances and many other activities, although they weren't able to have Enrichment Days. But besides all the big projects Student Council puts on, there are many small, hidden projects and jobs they are responsible for that nobody seems to notice. Things like having "munchies" ready for people at games, giving our birthday cards, and having terribly frightening movies at Halloween seem to make school just a little easier to bear. They are hoping to liven up noon hour by playing music in the cafeteria, and have another dance marathon, along with of course, being their silly old selves.

The Mogul Staff again had a very busy year trying to put together the best Mogul ever printed. Each staff member has a different job of either drawing lay-outs, taking pictures, managing money, writing copy, or editing the work. There were quite a few new members this year so there was a lot of "breaking in" to do. Each member is responsible for getting their job done by the deadline.

The office workers have done a fine job of carrying out their duties by answering phones, delivering messages, and filing materials.

ACTIVITIES

Homecoming Fun and Festivities

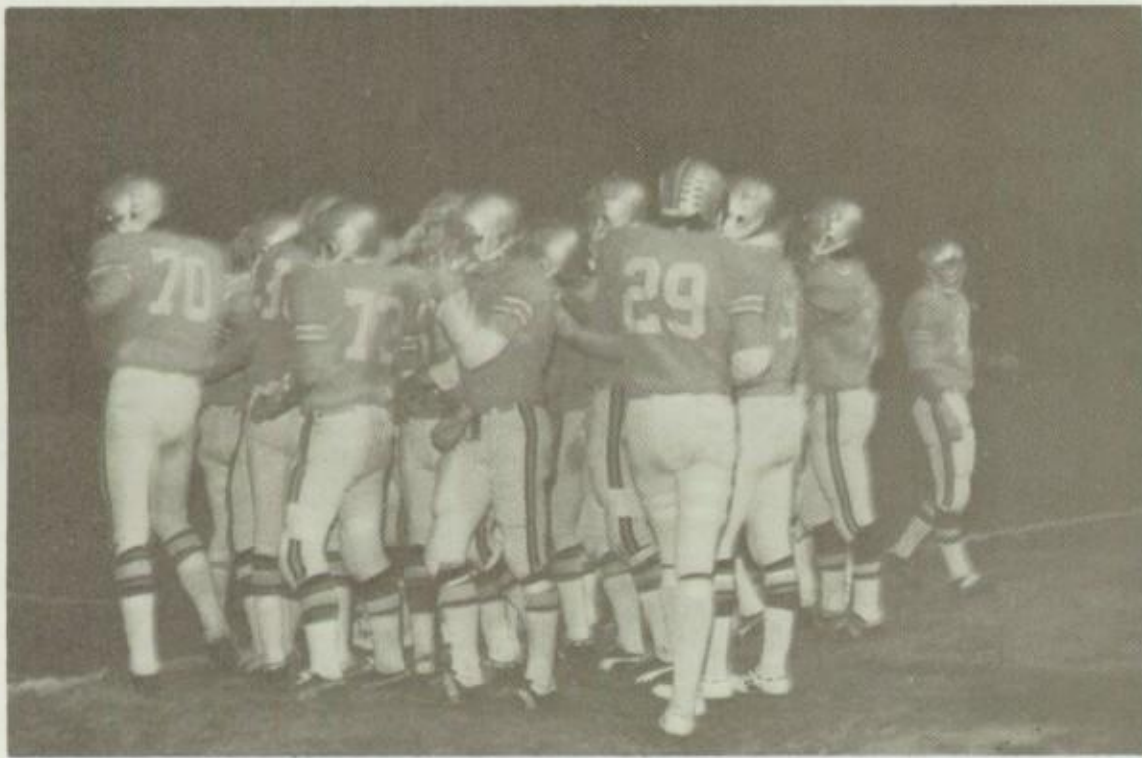

home-com-ing/hom-kem-in/. 1. students running around going crazy; 2. parade with floats; 3. Sandie Brayman crowned Queen; 4. excitement and chills up the spine. 5. victory of 27-13; 6. tears of joy. Homecoming--that's one word that nobody will have to define for quite sometime after experiencing ours this year. There was a whole new feeling of excitement, of energy, of victory, that you could sense just walking down the halls. It started on Thursday afternoon with the pageant and talents. Then on Friday one may have thought the school turned into a madhouse as the class competition started with Field Day. But the biggest thrill came at the game as the mighty PACK proved they knew their game by defeating Belding 27-13. At halftime the suspense reached a peak as the Juniors learned that they had won the Field Day activities and Sandie Brayman was crowned Queen. The night ended with PETE TEXAS featured at the dance, and a reception honoring the Queen and her court. It was a Homecoming that will be long remembered.

Bubbles, Bags, and Bottles

A new event was added to the list this year--one that was definitely the most involved, entertaining, competitive and hilarious activity the school has sponsored. Headed up by Janey Jeannero, various events and races went on all afternoon of Homecoming, with each student participating and contributing points to their class total. But not only students were involved. All the teachers either worked or instructed the kids, and the police even set up a road block for the Steeple Chase. People were seen spitting pumpkin seeds, blowing bubbles, sucking baby bottles, and a few of the more athletic, riding tricycles. It was followed by a pep rally where the students were more fired up than had been seen in years. The Juniors happily won the honors of Field Day at the last minute, by winning both the float and attendance contest at the game.

The Aquettes gave a fine performance of the show "Pass the Popcorn, Please" - a portrayal of famous movies - on March 18, 19, and 20. There were twenty four girls and four boys in the cast. Leslie Smith returned for her fourth year in the number one position. She and Laura Wright were the two soloists in the program.

1976 Midwinter Festivities

Mickey Mouse, Donald Duck, Pluto and several other famous Disney characters were all seen throughout the night of the Mid-Winter-Festival under the theme of "The Wonderful World of Disney." The Carnival once again proved a success, as seen through the sparkling eyes of youngsters running from the Spook House to the Balloon Throw, from the Pop Ring to the Kissing Booth, and finally ending up being sent to the Dog House. The Talent Show followed featured many of our own talented students with Dawn Bushaw, Carol Supplee and Sue Kempf placing third, Dave Schmid, second and Doug Earl receiving top honors. With bits and pieces added by our emcees Marji Johnson and Brad Lutz, the court was introduced, with Mike Ringquist and Beth Kendall crowned Prince and Princess, and Kevin Anderson and Deb Price, King and Queen. The nighttime trip through Disney World ended with a dance featuring "Inertia" and then back again to the real world.

The play was given to the public on December 18, 19, and 20 to add to the Christmas spirit of the community. Many people helped with the stage sets, lighting, and make-up to make the play just right.

The Junior class presented the play "Our American Cousin" by Thomas Taylor on February 12, 13, and 14. The cast proved to have very fine actors by placing second in district competition. Also, five of the actors won awards for outstanding acting. Both plays were directed by Mr. Jon Fruytier

Seniors

"And now ladies and gentlemen, I present to you the graduating class of 1976." This is probably the most important sentence of the year for these seniors. There's always something they are doing to prepare for graduation. They order their announcements, choose their caps and gowns, and are fitted for the caps and gowns. Then there's always the prom, the Jr. and Sr. Breakfast, and skip day to look forward to. Sandie Brayman represented the class of '76 as the Homecoming queen. "A Christmas Carol" was presented in December by the seniors. Although this is their last year we're sure these seniors will never forget their days at good old F.H.S.

Juniors

The class of '77' showed its spirit throughout the year as they displayed their various talents in many fields. They won the float contest, Field Day, and were the rivals in pep assemblies, not to mention their high academic qualities. It seemed to be a good year in sports for them and the support from classmates was outstanding. They ended the year attending both the Prom and Breakfast and now look forward to taking on the "Big Senior" label.

Freshmen

CLASS OFFICERS: B. Maynard, pres.; S. Shinavier, treas.; S. Belknap, sec.; D. Current, vice-pres.

Freshmen—the most important word in the Junior High. They are finally considered high school students and if they do things right some of them even get to take classes at the high school. One of the biggest highlights for a Freshman has got to be the Ninth-Grade Banquet. After all, this is the first chance a girl has to get a cour sage from her boyfriend.

8th Grade

Being in the eighth-grade is like being stuck in the middle of everything. There are the ninth-graders who would rather be known as Freshmen, and there are the seventh-graders who are too scared to do anything. If a person can make it through the eighth-grade, they will be fine - until they get to the eleventh grade.

7th Grade

The graduating class of 1981. That sounds very far away, but for these seventh-graders it's probably one of their biggest goals. Everyone knows it's the seventh-graders who carry the stacks of books to class, run so they won't be late, and can never get their lockers open. But then it usually turns out that the seventh-graders are the only ones that didn't forget their paper or pencil and are never tardy for class.

We entrust to our teachers our most valuable possession--our children--for a very large share of their waking hours during the most formative years of their life. We make certain that those to whom we entrust our financial assets are individuals of the highest competence and character --we dare not do less for the trustees of our children's minds.

Civilization is a stream with banks. The stream is sometimes filled with blood from people killing, stealing, shouting and doing the things historians usually record, while on the banks, unnoticed, people build homes, make love, raise children, sing songs, write poetry and even whittle statues. The story of civilization is the story of what happened on the banks. Historians are pessimists because they ignore the banks for the river.

--Will Durant

The comfort of having a friend
may be taken away, but not
that of having had one . . .
Let us therefore make the
best of our friends while we
have them; for how long we
shall keep them is uncertain
. . . He that has lost a
friend has more cause of
joy that he once had him,
than of grief that he is
taken away.
